## Tequila Coffee Liqueur

Hand crafted blend created using the process of maceration of renowned Nayarit mountain coffee and our award winning Tequila Blanco. Satryna Xpresso achieves a fine balance of flavours between the luxurious arabica coffee, the ultra smooth tequila and agave nectar for the perfect sweetness. Its rich coffee flavors blend seamlessly with the unique character of tequila, resulting in a complex yet approachable liqueur. Whether enjoyed neat, on the rocks, or as a delightful addition to cocktails, this coffee tequila liqueur promises a luxurious and indulgent experience.

### PRODUCT DESCRIPTION

Ageing	30 days in steel tanks
Color	Rich, dark brown colour, reminiscent of a freshly brewed cup of coffee
Nose	Indulgent blend of freshly roasted coffee beans and the distinct earthy agave notes of tequila, hints of cocoa and caramel in the background
Taste	Smooth and velvety texture gracefully coats the palate, delivering a delightful balance of flavours between the robust essence of freshly ground coffee and tequila's agave character adds depth and complexity, providing a subtle yet unmistakable backbone to the liqueur. Sweet notes of creamy caramel and rich dark chocolate emerge, lending a luscious sweetness that harmonises beautifully with the coffee and tequila
Finish	Long and satisfying, leaving behind a lingering warmth and a subtle touch of vanilla and a slight hint of spice
