

DIZZY DONKEY

TEQUILA BLANCO

“ Dizzy Donkey was born in Guadalajara from the wild mind of chef, artist, and hospitality icon Javier “El Impostor” Rodriguez.

As the owner of La Panga del Impostor—one of the city’s most celebrated restaurants—Rodriguez set out to find the ultimate house tequila and ended up having to make his own. The result is Dizzy Donkey: a mix of deep tradition, amazing quality, and a love of good times.

Raised among jimadores and master distillers, he knows what matters—real ingredients, true craftsmanship, zero compromise. Crafted with longtime friends at Authentica Distillery (NOM 1124), this blanco is incredibly smooth and effortlessly versatile. ”
