- **BALA 50**

  At Mezcal BALA 50, we transform ballistics into symbols of coexistence and harmony. Each bottle is an AUTHENTIC MASTERPIECE, a clear reminder that along the path, we will always be the architects of our own destiny.

  .

Mission
"Redefine luxury in the world of mezcal, delivering a unique experience in each bottle."

Vision
"To be recognized as the standard of innovation and flavor, where each 'bala' (bullet) tells a story of passion and excellence."

- **Commitment to Quality**
  Every drop of Mezcal BALA 50 is a statement to our unwavering commitment to excellence.

- **Sustainability and Tradition**
  While we innovate, we maintain a deep respect for the land and the traditional techniques that make our mezcal an authentic experience.

- **MEXICO IN A BOTTLE**
  Handcrafted Artistry.

- Each bottle of BALA 50 is a tribute to perfection. From the choice of the bottle, representing a scaled-down .50 caliber projectile, to the majestic liquid inside, together they stand as a testament to our commitment to excellence and tradition.

BOTTLE: Characteristic metallic body.

TASTING NOTES

APPEARANCE: Crystal clear liquid with a well-defined body.
NOSE: We find notes of soft, pleasant herbs characteristic of the espadin agave, as well as tender movement that awakens the strength of the alcohol while maintaining its firm character.
TASTE: A distilled taste that defines the mouthfeel with a decided agave flavor, ideal for tasting alone with salt and worm, lemon or great for creating premium mixology.
